Capabilities Statement

PEW Consulting delivers mission-critical software solutions for federal, state, and local government agencies. We specialize in modernizing legacy systems, building scalable web applications, and ensuring your infrastructure handles peak demand reliably—from routine operations to high-traffic events like international sporting competitions.

Core Competencies

- Temporary & Per Diem Healthcare Staffing
 - Registered Nurses (RN), LPNs, CNAs
 - Behavioral Health Technicians, Therapists, Counselors
 - Medical Administrators & Support Staff
 - Rapid Credentialing & Compliance Management
 - Automated Shift Matching, Timesheet, and Billing Workflows
 - VA, DHA, and State Agency Staffing Support
 - Subcontractor to multiple VA ICSP / DHA IDIQ primes

Differentiators

- Proprietary CareCade™ platform (built in-house) automates:
 - Credential tracking & expiration alerts
 - Shift bidding & acceptance via mobile app
 - Timesheet invoice payment in <24 hrs
- Proven 86% revenue growth for Washington DSHS/DDA providers using our scheduling engine
- 100% fill rate during peak demand for current healthcare clients
- Existing pool of 200+ pre-vetted clinicians in Washington state
- Zero non-compliance events across 10,000+ billed hours (2024–2025)

Experience

Prior to starting our company:

- Advanced Care LLC (DSHS/DDA Provider, WA)
 - Deployed CareCade scheduling + billing platform
 - 86% revenue growth in 6 months, 95%+ shift fill rate
- Ultimate Care Transportation (NEMT, WA)
 - RouteOps platform reduced scheduling time 90%
 - Automated compliance & billing for Medicaid rides
- Ongoing recruitment pipeline of RNs, LPNs, behavioral techs, and therapists from Washington state home-care agencies

Testimonials

"CareCade delivered on every promise... 86% revenue growth within six months." — Omer A., CEO, Advanced Care LLC (DSHS/DDCS Service Provider)

"RouteOps transformed our operations... scheduling time from hours to minutes." — Khalid E., CEO, Ultimate Care Transportation Washington, NEMT Provider
